Biography – Lynn Fallis-Kurz

I have made significant contributions to the curling community through leadership, coaching, and program development.

From 2003 to 2012, I led the Little Rock, Bantam, and Junior curling programs at the Wildewood Club, helping develop young athletes.

I served as an instructor and coach in the High Performance Program alongside Connie Laliberte from 2004 to 2024, with only a brief break during that time.

I joined the Curl Manitoba Board of Directors in 2017 and am serving as President for the 2025–2026 term.

I have also coached several junior boys teams over the years, contributing to athlete development at the competitive level.

Additionally, I was the Committee Chair for the U18 Optimist Championships in 2018 and 2019, which were hosted at the Wildewood and Pembina Curling Clubs.
