Provincial

The initial championship in 1965 was played with 12 teams, 15 teams in 1966 and 16 teams in 1967 playing in a semi-modified championship draw. The semi modified draw was used up until 1998. In 1999, the competition changed to the round robin format with page playoff. In 2021 after the pandemic, a triple knockout was used with 18 teams. In 2022, the format reverted back to the round robin with page playoff. In 2023, a change saw the top three teams in each round robin pool qualify for the playoff round. The first place teams advance to the 1 vs 1 game and the 2nd place teams play the third place team in the opposite pool with the winners advancing to the 3 vs 4 game.

Canadian

The initial Canadian Senior Men's Championship was played in 1965. The original format saw a round robin draw with no playoff. A playoff format was introduced in 1988. Later a format saw the playoff format of the first place team receiving a bye to the final and the second and third place teams playing in the semi-final. In 2015, the top four teams in each pool advance to the championship pool where the top four teams after that round advance to the semi-final and final.

World Championships

The first World Senior Championships has held in 2002. Beginning with the 2005 winner the team will represent Canada at the following year's World Championship.

Provincial Final

Since 1999 the Page Playoff has been used to determine the champion. In the 24 years of this playoff system, the winner of the 1 vs 2 game has gone on to win on 17 occasions. On 6 occasions the loser of the 1 vs 2 game has come back to win. The team coming from the 3 vs 4 winner has been done three times. Teams skipped by Ken Grove (2000), Carl German (2002), Neil Andrews (2004), Howard Restall (2006), Kelly Robertson (2011), (2012), Randy Neufeld (2015), (2016), Dave Boehmer (2019), (2020) and Paul Scinocca (2026) are the only teams to register unbeaten 9-0 records
