Albert Bazinet

Albert Bazinet has made significant contributions to the sport of curling, particularly in the development of youth and junior curling in Manitoba. He has served as President of the Manitoba Junior Curling Tour (MJCT) since 2014. The MJCT operates in collaboration with CurlManitoba, supporting its initiatives and promoting junior curling across the province.

Albert has been actively involved as a coach since receiving his coaching certification in 2006. He has coached in 29 CurlManitoba events primarily at the U18 and Junior competitions. He has been honoured with the event "Asham Coaching Award" on three occasions.

Albert made a lasting impact on junior curling in Manitoba. His experience and love for the sport were evident in his coaching and in the many relationships he built within his broad curling family. He cared deeply for all curlers, offering guidance, advice, and support to anyone who shared his enthusiasm for the game.

Albert lost his battle with cancer on October 2, 2025.
