Provincial

The initial championship in 1969 was played with 4 teams, in 1972 the field was expanded to 16 teams playing in a semi-modified championship draw. The semi modified draw was used up until 1999. In 2000, the competition changed to the round robin format with a page playoff. In 2011, an open entry competition was introduced based on limited numbers. In 2016, the page playoff was replaced by a triple knockout draw. In 2017, round robin and page playoff returned. In 2019, the triple knockout was used. In 2021, the triple knockout was used. In 2022 and 2023, an 8 team round robin was played, with three teams qualifying for playoffs. In 2024 and 2025 the 10 teams were split into 2 groups of 5 to play a round robin followed by a page playoff. In 2026, the 8 teams played a round robin with page playoff.

Canadian

The initial Canadian Senior Women's Championship was played in 1973. The original format saw a round robin draw with no playoff. In 1988, a playoff format was introduced.The playoff format was then changed to top three teams with first place team receiving a bye to the final. The playoff format of the first place team receiving a bye to the final and the second and third place teams playing in the semi-final. In 2015, the top four teams in each pool advance to the championship pool where the top four teams after that round advance to the semi-final and final..

World Championships

The first World Senior's has held in 2002. Beginning with the 2005 Canadian winner, the team represents Canada at the following year's World championship.

Provincial Final

The Page Playoff was used from 2000 – 2015, 2017 - 2019, 2024 to determine the champion. In the 19 years of this playoff system, the winner of the 1 vs 2 game has gone on to win on 13 occasions. On 5 occasions the loser of the 1 vs 2 game has come back to win. Only twice, in 2007 and 2017, has a team from the 3 vs 4 winner claimed the championship. Teams skipped by Elaine Jones (2003), Linda Van Daele (2005), Jean Garbolinsky (2008) registered unbeaten 9-0 records. Because of reduced numbers Lois Fowler 8-0 in 2013, 7-0 in 2014, Kim Link 7-0 in 2015, and Kim Link 6-0 in 2018 and Terry Ursel 5-0 in 2019 were also undefeated.
