The Youth Spring Spiel is based on Development and Fair play.

Development:

A coach and/or umpire will be present at all games to assist coaches and teams with etiquette, rules and behavior.

Fair Play:

The objective of fair play is to promote social interaction, etiquette and good sportsmanship within a curling event while encouraging all athletes to play to the best of their ability and to make an effort to experience success during the game.

Everyone should adhere to an honesty policy with regard to rule interpretation and proper conduct.

At the conclusion of each game, the team will rank the opposing team on a scale of 1 to 5.

Any team that does not hand in their ballots at the conclusion of a game will be eliminated from the right to be included in the fair play ranking and prizes. If a team wishes to comment on the ranking they provided to the other team, please write it on the ballot at the bottom or on the back.

Open Divisions:

Team composition will be open and a team may consist of male, female or any combination for the Recreation Divisions.

Men and Women:

Team composition will be gender specific.

U15 Open, Men and Women:

All games will be 8 ends with a 1 hour and 55-minute bell.

A minimum of 6 ends are required.

CurlManitoba is striving to develop young athletes in positions that are conducive to their knowledge and skill level.
