Code of Ethics

Curlers, Coaches, Umpires

To ensure that all curlers are aware of their responsibilities when playing the game of curling the following Code of Ethics is an official supplement to the Rules of Curling.

Curlers' Code of Conduct

- I will play the game with a spirit of good sportsmanship.
- I will conduct myself in an honourable manner both on and off the ice.
- I will never knowingly break a rule, but if I do, I will divulge the breach.
- I will take no action that can be interpreted as an attempt to intimidate or demean my opponents, teammates, or umpires.
- I will interpret the rules in an impartial manner, always keeping in mind that the purpose of the rules is to ensure that the game is played in an orderly and fair manner.
- I will humbly accept any penalty that the governing body at any level of curling deems appropriate, if I am found in violation of the Code of Ethics or rules of the game.

Coaching Code of Ethics

- The coach will act with integrity in performing all duties owed to athletes, the sport, other members of the coaching profession and the public.
- The coach shall strive to be well prepared and current in order that all duties in their discipline are fulfilled with competence.
- The coach shall act in the best interest of the athlete's development as a whole person.
- The coach shall accept both the letter and the spirit of the rules that define and govern the sport.
- The coach shall accept the role of umpires in providing judgement to ensure that competitions are conducted fairly and in accordance with the established rules.
- The coach's conduct toward other coaches shall be characterized by courtesy, good faith and respect.
- The coach shall maintain the highest standards of personal conduct and support the principles of Fair Play.

Umpiring Code of Ethics

- The role of umpires in curling is different than in many other sports in that we are there to ensure a level playing field of the competition, rather than to control the play. Curling umpires give freely of their time and training for the love of the sport.
- In the name of all the competitors, the umpires promise that we shall take part in the games, respecting and abiding by the rules, which govern them, committing ourselves to a sport in the true spirit of sportsmanship, for the glory of the sport and the honor of the teams.
- Umpires strongly believe in teamwork to ensure championships run smoothly.
- Each time we finish a championship, we hope it is not our last. We like what we do, and we hope we do make a difference. Curling has been good to us and this is our way of giving back.

Fair Play

- Fair Play begins with the strict observance of the written rule; however, in most cases, Fair Play involves something more than even unfailing observance of the written rule. The observance of the spirit of the rules, whether written or unwritten, is important.
- Fair Play results from measuring up to one's own moral standards while engaged in competition.
- Fair Play is consistent demonstration of respect for teammates and opponents, whether they are winning or losing.
- Fair Play is consistent demonstration of respect for umpires, an acceptance of their decisions and a steadfast spirit of collaboration with them.
- Sportsmanlike behaviour should be demonstrated both on and off the ice. This includes modesty in victory and composure in defeat.

Refund Policy

Electronic Entry

- The deadline date for electronic entry is also the deadline for withdrawing from the competition.
- Until the deadline date a full refund will be issued but once the deadline passes NO refunds will be issued.

CurlManitoba Programs

- Full refunds will be issued if CurlManitoba cancels a program.
- If a participant withdraws from any program 5 or more working days prior to the start date, a full refund less \$30.00 administration fee will be issue.
- 4 days or less no refunds will be issued without a valid medical certificate or in extenuating circumstances, which are at the discretion of CurlManitoba.

Development:

A coach and/or umpire will be present at all games to assist coaches and teams with etiquette, rules and behaviour.

Fair Play:

The objective is to promote social interaction and fair play within a curling event while encouraging all athletes to play to the best of their ability and to make an effort to experience success during the game.

Everyone should adhere to an honesty policy with regard to rule interpretation and proper conduct.

At the conclusion of each game, the team will rank the opposing team on a scale of 1 to 5.

Any team that does not hand in their ballots at the conclusion of a game will be eliminated from the right to be included in the fair play ranking and prizes.

If a team wishes to comment on the ranking they provided to the other team please write it on the ballot at the bottom or on the back.

Ranking System:

1 Point	Team was unfriendly and uncooperative, constantly talking while the opposition is throwing, standing in the way, game not enjoyable to play
2 Points	Some discipline shown by some players but not enough to improve the game, one or two players friendly, game not enjoyable to play, not sure if you want to play this team again
3 Points	The team for the most part followed the rules, the game was OK, your team enjoyed the competition, team needs to make a few small adjustments to their play
4 Points	Enjoyed the game, opposition was friendly and obeyed the rules. Showed respect for their competition, the other teams, coaches and umpires or event representatives. The competition was good.
5 Points	Really enjoyed the game. This team represents the spirit of Fair Play! They showed respect, demonstrated integrity, were more concerned about doing their best than winning the game. Acknowledged good performances by both teams, showed support for their teammates when something didn't go their way.

Under 12 Triples– 3 person, 6 stones, 6 ends, rotating positions

Rules

1. A game consists of 3 sets. One set is 2 ends and a match is 3 sets.
2. Each player will throw two stones for 6 stones total per end per team.
3. Lead, Middle and Skip positions will rotate from set to set, with all three players playing each position. Position rotation will be at the start of end 3 and end 5.
4. The player who is the designated sweeper is the only player allowed to sweep the running stone.
5. Each team has last stone advantage once in each set.
 - Set 1: hammer in the first end is determined by a coin toss
 - Set 2: hammer in the first end is reversed from set 1
 - Set 3: The team with the most points chooses which end they want the hammer. If the score is tied after set 2, the hammer will be the same rotation as set 1.
6. In each end the score is counted as per a regular curling game. At the end of set 1 and set 2, whichever team wins the set is awarded 2 points. In set 3 the team that wins the set is awarded 4 points.
 - Example: End 1 Team A scores 2 points, End 2 Team B scores 3 points, therefore at the end of set 1 Team B has 2 points.
7. If teams are tied in points at the end of 6 ends, all three players will throw a draw to the button to break the tie and scores will be added together for each team. The designated sweeper is allowed to sweep.

Scoring is:

- 5 points when the stone is touching any part of the button
- 4 points when the stone is touching any part of the 4 foot
- 3 points when the stone is touching any part of the 8 foot
- 2 points when the stone is touching any part of the 12 foot
- 1 point when the stone is in play
- 0 points when the stone is not in play

Order of Throwing is the same as the 6th end order of:

- Lead
- Middle
- Skip

Coaches are encouraged to be on the ice with their team, but can only communicate with the players when the other team is in control of the house. Coaches can rotate their position around the playing surface but must be to the side and on the backboards when their team is in control of the house.

QUALIFYING FOR PROVINCIAL CHAMPIONSHIPS

GENERAL RULES

1. All Berth Bonspiels and Regional Qualifiers with a minimum of four teams will use a semi-modified double knock out draw with a qualifying round based on the number of teams competing. CurlManitoba reserves the right to alter any draw format.
2. Thirty (30) minutes prior to a team's first game in any CurlManitoba Regional Qualifiers and Berth Bonspiels, the team MUST submit a completed and signed line up card and give it to the designated person. The penalty for not submitting the card is loss of hammer in the first game the team has earned the hammer. Failure may also result in making a team ineligible. During any competition, an additional line up card will be required only when there is a player change.
3. CurlManitoba will email ALL teams with notification of the draw and event rules.
4. No payouts will be awarded at Regional Qualifiers and Berth Bonspiels.
5. Pre-game practice ice shall be provided during all Regional Qualifiers and all berth bonspiels. Each team will have a 5-minute practice on the sheet they will play on. If a team is not present for the coin toss they will be deemed to have lost the coin toss. In all Regional Qualifiers and Berth Bonspiel games, teams that lose the coin toss will have the choice not taken by the team winning the coin toss (choice shall be colour of stones or 1st or 2nd practice). A named fifth player may participate in the pre-game practice.
6. The team with first practice will throw the clockwise turn for the last stone draw. The team with second practice will throw the counter-clockwise turn for the last stone draw.
7. First practice will begin 20 minutes prior to game time. A bell will ring to signify the beginning and conclusion of each practice session allowing for teams to switch over. The bell should ring as follows:

Coin Toss		30 minutes prior to game time
1 st team access the Ice		20 minutes prior to game time
	End of 1 st practice	15 minutes prior to game time
	1 st team last stone draw	
2 nd team access the ice		10 minutes prior to game time
	End of 2 nd practice	5 minutes prior to game time
	2 nd team last stone draw	
	Bell to start the game	0 minutes prior to game time

8. All Regional Qualifiers and Berth Bonspiels will be seeded by the teams that have entered the event. The teams will have approximately 48 hours turnaround time to respond with their seeds.
TEAMS WILL NOT SEED THEMSELVES.
9. The last stone will be determined by a draw to the house by one player at the completion of the team's practice. Only four (4) athletes are allowed on the ice during the draw for the hammer. Coaches may remain on the backboards but may not speak to their team.
Exception: Juniors and U18
In all Regional Qualifiers and Berth Bonspiels each team has one attempt to throw a measurable stone, if neither team throws a measurable stone for hammer a coin toss will occur.
10. At any Regional Qualifier and Berth Bonspiel with more than one berth being allocated, the bonspiel will be declared complete once the berths are declared. For example, the Junior Berth Bonspiel has 2 berths so there will be no final game.

REGIONAL QUALIFIERS SPECIFIC RULES

1. Prior to the start of competition, every member of the team must meet all eligibility requirements.
2. To the extent practical (as defined below), teams will be expected to defeat at least one other team to qualify as a Sport Region representative in the respective Provincial Championship. Pairing Sport Regions will be in such a manner that no team will be able to advance to a Provincial Championship without playing a game. (For example, if 2 Sport Regions are paired and each sport region has 1 team entry then 1 spot will be removed and the 2 teams will play for 1 provincial berth). To accomplish this, each Sport Region will be 'paired' with a neighboring Sport Region. CurlManitoba Sport Region pairs for all championships will be:
 - West 1 and West 2
 - South 1 and South 2
 - East and Winnipeg
 - North will NOT be required to pair (due to geographical locations)
3. Region make-up is the sole responsibility of CurlManitoba. Member clubs by Sport Region can be found on pages 54-55.
4. CurlManitoba will be responsible for coordinating the Regional Qualifiers in the case of one-entry Sport Regions OR for the transfer of the Regional berths.
 - If in the case of one-entry each in the paired Regionals, one berth will be awarded and the other berth will go to the floating berth pool.
 - If the Winnipeg Regional entries fall below 3, the number of Regional berths in the initial playoff will be reduced to one. The berth will go to the floating berth pool.
 - If there are not any entries in a Sport Region, the berth will go to the floating berth pool.
5. The floating berth pool will be allocated on an individual basis to the sport region with the highest participation ratio.
6. The CurlManitoba Regional Qualifiers will be held on the specified dates throughout Manitoba. The dates are published on the Calendar of Events and the Bonspiel Planner of the CurlManitoba website.

NOTE: In the event that a Curling Club team also earns a berth to the Viterra or Scotties Tournament of Hearts Championship, the team will have the choice of which berth they will accept. The remaining berth will be awarded to the runner up of the other event.

Should the infraction not be discovered until after the delivery of the subsequent stone, play continues as if the infraction had not occurred.
11. Each game will consist of eight ends. If at the completion of the eight ends the score is tied, play shall continue for the extra ends required to determine the winning team.
12. Prior to the start of every game in competitions, each team shall be allowed a 5-minute warm-up period on the sheet on which they will be playing. The team delivering the last stone in the first end shall practice first.
13. There will be a coin toss for practice and a two stone draw at the end of the 5-minutes practice to determine choice of placement or last stone.

LAST STONE DRAW

Teams opposing each other in the game shall use the Last Stone Draw (LSD) to determine which team has the decision in the first end. The team with the lesser LSD distance shall have the decision on the placement. Following each team's five (5) minute pre-game practice, each player will deliver a stone to the button – one (1) clockwise and one (1) counter-clockwise. Full sweeping is allowed. For the purpose of ranking, the highest combined distance of the seven games will be discarded. The remaining total distance for the round robin will be used to rank teams.

CURLING CLUB CHAMPIONSHIP

National Championship Eligibility Requirements 2019

We trust all participants will respect the intent of this championship: for curling clubs to engage their members to participate in an event to declare a champion to represent the curling club at the provincial / territorial level and ultimately the national curling club championship.

The event was created for true club championship teams, not for past or present elite teams/players. The objective is to support the development of grassroots curling across Canada.

With this objective in mind, here are proposed eligibility requirements for events leading to the November 2019 championship. Curling Canada reserves the right to exclude any team that violates this spirit and intent as it pertains to the rules below.

- (1) The curling club represented by the team, must be affiliated with its Provincial / Territorial Association, in good standing, and all applicable dues paid in full. The players of any club championship team must be members in good standing of the affiliated curling club. Canadian citizenship **is not** a requirement. Any player can be a member of more than one affiliated curling club, but shall declare one "home club" for this competition.
- (2) Each club may declare one (1) men's team and/or one (1) women's team of four (4) players to represent their club by way of the following competitions:
 - (a) Regular league play, or;
 - (b) A club championship process, or;
 - (c) A designated Curling Club Championship within the club;
 - (d) Clubs that only have mixed or open leagues (i.e., no men's and/or women's leagues) may be granted an exemption to Rule (2)(a-c) by a written request to their provincial / territorial Member Association.
- (3) Through these options, the declared teams must have three (3) or more players who have played together in a sanctioned club league during the current curling season. The exception would be if a club were granted permission to run a Club Championship with newly formed teams because the club offered open or mixed leagues only.
- (4) Once the four-person team has been declared the club champion, a maximum of one (1) replacement player from the club is allowed and the replacement player **must** play the lead position (throwing & sweeping) and must be a member in good standing of the affiliated curling club. If the Member Association process includes a number of steps

before declaring a champion, then the team may add a different spare at each level provided they **play** lead and are a member in good standing of the affiliated curling club.

- (5) Teams who play exclusively in a major / super league, **where teams from more than one (1) club compete**, are ineligible for the Curling Club Championship unless the team competes in another eligible league in an affiliated club.
- (6) Each team will be allowed one (1) player who has played in **any** specific Curling Canada event in any season **or**, in any provincial / territorial event leading to a Curling Canada event in any season **or**, will be allowed one (1) player who has played in a Tier 1 Grand Slam event in any season. **Definition:** Curling Canada events include: mixed, Canada Cup, juniors, tournament of hearts, brier, seniors, mixed doubles, university.
Example: Craig Savill plays in a Wednesday night league with three friends but he also represented Ontario at the Brier with his elite team. Craig and his Wednesday night team of friends **are** eligible for the Curling Club Championships. However, the other three (3) team members of Craig's Wednesday team cannot have played in:
- (a) Any provincial / territorial championship leading to a Curling Canada event in the current year and past two (2) years, or;
- (a) Any Tier 1 Grand Slam event in the current year and the past two (2) years.
- (7) **Definition:** We have established different levels of participation for all provinces & territories in events leading to a Curling Canada event. Individual Member Associations can choose to establish stricter guidelines, however these are the minimum:

A legal guardian can be a parent on the team.
- (11) Curling Canada has the sole authority to grant exceptions to these rules in extraordinary circumstances. Any request must be submitted by the Provincial / Territorial Member Association.
