

# The O'Grady Challenge Trophy (since 1908)

## 2022-2023 Application Form

Attn: CLUB SECRETARIES / CLUB EXECUTIVE / MANAGERS at all Affiliated Manitoba Curling Clubs

Does your Club want to challenge for the O'Grady Trophy? The O'Grady has been in competition for over 110 years (>1,500 matches since 1908), and each year travels to more than a dozen communities in Manitoba.

O'Grady Challenge process is as follows:

- ✓ Schedule made up by Trustees, with priority given based on when challenge applications are received.
- ✓ Challenging Club hosts one match (2 teams on 2 sheets), and supplies the ice and hospitality.
- ✓ Winning team to contact next Challenger on schedule, to arrange a date during the following week.

An exclusive O'Grady competitor's pin will be given to all eight (8) members of each Club that challenges, regardless whether they win the match or not.

For additional information including a complete event history, and comprehensive listing of past competitors, please check the O'Grady page at [www.curlmanitoba.org](http://www.curlmanitoba.org) under "Events" then "Other Events".
