

Ray Baker received an Honourary Life Membership awarded on September 17, 2022. The traditional honour presented to a CurlManitoba Past-President, was well earned over his seven years of membership on the Board of Directors, including the past two seasons as President where he is credited with providing great leadership through the challenges of “the covid years”. The award also recognizes his long service to his home Dauphin Curling Club through many years of executive and volunteer service including a high profile role as co-chair of one of the most successful of the Manitoba/World Curling Tour cash bonspiels.
