## **A Message from CurlManitoba President Keith Johnston**

On behalf of the CurlManitoba Board of Directors, staff, and approximately 100 member curling clubs across the province, it's an honour to bring greetings to all competitors, spectators, and supporters of the game.

At CurlManitoba, we are proud of the accomplishments of our high-performance athletes, but recognize the foundation of curling remains at the grass roots level. Our recently developed strategic plan placed even greater emphasis on growing curling club capacity and further improving communication with our member clubs. We believe positive progress has been made in these areas with club focused newsletters, for example, as well as through conversations, shared resources, and workshops. Many clubs have also taken advantage of website and social media support through CurlManitoba.

Growing the game continues to be another high priority area for CurlManitoba. New opportunities are being discovered within our communities by partnering with groups like Winnipeg Newcomers Sport Academy. Evolving initiatives like U15 bonspiels hosted throughout the province and inter-league play have been introduced and now join our other youth-based programs to help provide opportunity for everyone across the province.

Last season at the national level, our Manitoba athletes continued to shine. Highlighted by a fourth consecutive Canadian Women's Championship for Gimli's Kerri Einarson and for all of our athletes overall, an impressive nine medals over six national events.

The CurlManitoba Curling for Life Endowment Fund continues to grow with funds now in excess of one million dollars. This fund generates revenue in perpetuity to be used for scholarship and development opportunities all across the province.

All of our successes would not be possible without the continued support of our sponsors. I would like to extend a debt of gratitude to all of our partners with a special thank you to Seagram's Whisky, our title sponsor for this great event. Our sport could not thrive without supporters like you.

We would also like to thank the Fort Rouge Curling Club organizing committee and all of the many dedicated volunteers for hosting this year's event. We know you will provide great hospitality for all players and spectators, ensuring this event will be another success!

Good luck to all teams competing and may you be guided by good sportsmanship now and for years to come.

## **A Message from Fort Rouge Curling Club President Cam Barth**

The Fort Rouge Curling Club and its board of directors welcome each competitor, spectator and volunteer to the 2023 Seagram's Curling Club Championships. It is both a pleasure and an honour to host such a prestigious event that provides club curlers from across our province the chance to showcase their skills and dedication to the sport of curling.

We would like to thank the staff and volunteers who are contributing to making this event a huge success. Your efforts, commitment and enthusiasm have played a pivotal role in preparing our venue for this event.

Good luck and good curling to all.
