\* Games are to be played during the week ending on the date above. Eg) Pembina CC will schedule their game against Lorette CC on a date to be played by January 14<sup>th</sup>, 2024. The winner of that game will contact Portage la Prairie and that game will be played by January 28<sup>th</sup>, 2024.

\*\*Lorette Curling Club will be the first team to travel as the location of the Deneen Cup has not been located and the last Cup Holder has not determined.

Going forward in the 2024/2025 season, the first team to travel will be the previous season's last Cup Holder.

The week of the Manitoba Open has been left off the schedule intentionally.

Winners of the challenge are to contact the next challenger immediately so arrangements can be made for the upcoming draw.

The Challenger is the host team. Hosting teams are responsible for securing ice time and providing beverages/meal. It works best if 2 sheets of ice are available for ~ 3 hours. This allows for a short break between games, about 15 mins.

In the event of unforeseen circumstances where a club is unable to ice a team, please contact one of the Trustees at your earliest opportunity, as a replacement club may be available, or it may be possible to switch dates with another club. Please do not default.
