Code of Ethics

Curlers, Coaches, Umpires

To ensure that all curlers are aware of their responsibilities when playing the game of curling the following Code of Ethics is an official supplement to the Rules of Curling.

Curlers' Code of Conduct

- I will play the game with a spirit of good sportsmanship.
- I will conduct myself in an honourable manner both on and off the ice.
- I will never knowingly break a rule, but if I do, I will divulge the breach.
- I will take no action that can be interpreted as an attempt to intimidate or demean my opponents, teammates, or umpires.
- I will interpret the rules in an impartial manner, always keeping in mind that the purpose of the rules is to ensure that the game is played in an orderly and fair manner.
- I will humbly accept any penalty that the governing body at any level of curling deems appropriate, if I am found in violation of the Code of Ethics or Rules of the Game.

Coaching Code of Ethics

- The coach will act with integrity in performing all duties owed to athletes, the sport, other members of the coaching profession and the public.
- The coach shall strive to be well prepared and current in order that all duties in their discipline are fulfilled with competence.
- The coach shall act in the best interest of the athlete's development as a whole person.
- The coach shall accept both the letter and the spirit of the rules that define and govern the sport.
- The coach shall accept the role of umpires in providing judgement to ensure that competitions are conducted fairly and in accordance with the established rules.
- The coach's conduct toward other coaches shall be characterized by courtesy, good faith and respect.
- The coach shall maintain the highest standards of personal conduct and support the principles of Fair Play.

Umpiring Code of Ethics

- The role of umpires in curling is different than in many other sports in that we are there to ensure a level playing field of the competition, rather than to control the play. Curling umpires give freely of their time and training for the love of the sport.
- In the name of all the competitors, the umpires promise that we shall take part in the games, respecting and abiding by the rules, which govern them, committing ourselves to a sport in the true spirit of sportsmanship, for the glory of the sport and the honour of the teams.
- Umpires strongly believe in teamwork to ensure championships run smoothly.
- Each time we finish a championship, we hope it is not our last. We like what we do, and we hope we do make a difference. Curling has been good to us and this is our way of giving back.

Fair Play

- Fair Play begins with the strict observance of the written rule; however, in most cases, Fair Play involves something more than even unfailing observance of the written rule. The observance of the spirit of the rules, whether written or unwritten, is important.
- Fair Play results from measuring up to one's own moral standards while engaged in competition.
- Fair Play is consistent demonstration of respect for teammates and opponents, whether they are winning or losing.
- Fair Play is consistent demonstration of respect for umpires, an acceptance of their decisions and a steadfast spirit of collaboration with them.
- Sportsmanlike behaviour should be demonstrated both on and off the ice. This includes modesty in victory and composure in defeat.

CURLMANITOBA JURISDICTION

CurlManitoba shall govern all competitions leading to and including Provincial Championships.

In all matters, the decision of CurlManitoba shall be final.

CurlManitoba is the rule and policy decision forum for Provincial Championships and Provincial Qualifying events.

Regional Qualifier Specific

1. To the extent practical (as defined below), teams will be expected to defeat at least one other team to qualify as a Sport Region Representative in the respective Provincial Championship. Pairing Sport Regions will be done in such a manner that no team will be able to advance to a Provincial Championship without playing a game. To accomplish this, each Sport Region will be 'paired' with a neighboring Sport Region.
CurlManitoba Sport Region pairs for all championships but the Scotties will be:
 - West 1 and West 2
 - South 1 and South 2
 - East and Winnipeg
 - North will NOT be required to pair (due to geographical locations)
2. Region make-up is the sole responsibility of CurlManitoba.
3. CurlManitoba will be responsible for coordinating the Regional Qualifiers in the case of one entry Sport Regions OR for the transfer of any Regional Berths.
 - If in the case of one entry each in the paired Regionals, one Berth will be awarded and the other Berth will go to the Floating Berth Pool.
 - If the Winnipeg Regional entries fall below 3, the number of Regional Berths in the initial allocation will be reduced to one. The remaining berth will go to the Floating Berth Pool.
 - If there are not any entries in a Sport Region, the Berth will go to the Floating Berth Pool.
4. The Floating Berth Pool will be allocated on an individual basis to the Sport Region with the highest participation ratio.
5. The CurlManitoba Regional Qualifiers will be held on the specified dates throughout Manitoba. The dates are published on the Calendar of Events on the CurlManitoba Website.

Berth Bonspiel Specific

If a Berth Bonspiel with 2 Berths allotted (Men, Senior and Master) has 8 teams or more, the event will award 2 Berths. If the Berth Bonspiel has 4-7 teams, the event will award 1 berth and the other berth will revert to the Regional Qualifier pool. If the Berth Bonspiel has less than 4 teams the event will be cancelled and the berths will revert to the Regional Qualifier pool.
