## **A Message from CurlManitoba President – Lynn Fallis-Kurz**

On behalf of the CurlManitoba Board of Directors, staff, and approximately 100 member curling clubs across the province, it's an honour to bring greetings to all competitors, spectators, and supporters of the game.

At CurlManitoba we are proud of the accomplishments of our high-performance athletes, but recognize the foundation of curling remains at the grassroots level. Our strategic plan places a great emphasis on growing curling club capacity and further improving communication with our member clubs. We believe positive progress has been made in these areas with club focused newsletters, for example, as well as through conversations, shared resources, and workshops. Many clubs have also taken advantage of website and social media support through CurlManitoba.

Growing the game continues to be another high priority area for CurlManitoba. New opportunities are being discovered within our communities by partnering with groups like Winnipeg Newcomers Sport Academy. Evolving initiatives like U15 bonspiels hosted throughout the province and inter-league play have been introduced and now join our other youth-based programs to help provide opportunity for everyone across the province.

CurlManitoba, in partnership with Curling Canada and other key stakeholders, are excited to offer a new initiative this season that provides Manitoba high performance, emerging NextGen curlers and provincial champions access to championship-quality ice and training resources. This initiative is a significant investment in the future of curling in the region and transforms how our competitive Manitoba curlers train and prepare for competition.

Last season at the national level, our Manitoba athletes continued to shine. Highlighted with our mixed doubles Team Lott and our U18 women's team Hayward both winning gold medals. Last season was also the first time Manitoba won the highly sought after "Member Association Cup" which recognizes the province/territory that has the best cumulative results over 15 national championships.

All of our successes would not be possible without the continued support of our sponsors. I would like to extend a debt of gratitude to all of our partners with a special thank you to Strathcona Trust and Pharmasave, our title sponsors for this great event. Our sport could not thrive without supporters like you.

We would also like to thank the East St. Paul Curling Club's organizing committee and all of the many dedicated volunteers for hosting this year's event. We know you will provide great hospitality for all players and spectators ensuring this event will be another success!

Good luck to all teams competing and may you be guided by good sportsmanship now and for years to come.

# FOR THE LOVE OF CURLING

## “MANITOBA CURLING FOR LIFE ENDOWMENT FUND”

The Curling for Life Endowment Fund provides an opportunity for curlers and curling fans to invest in the future of the sport we love. It is managed by The Winnipeg Foundation as a permanent fund with the investment returns paid annually. Manitoba has a proud history of curling — let's make it our future as well.
