Provincial

Originally the event was comprised of 8 teams, one team from each of the seven Sport Regions plus a host region team. The teams were split into two groups of 4. Each group plays a round robin format within their respective group with the top two teams in each group advancing to a straight knockout semi-final and final. In 2014, the event expanded to 12 teams. In 2014, the event became known as The Travelers. **In 2019 no sponsor.** In 2021, an open concept was played with 28 teams due to Covid cancelling the normal spring time. In 2022 the event reverted back to the 12 teams. The top 3 in each division advance to the playoffs with first place teams receiving a first round bye. In 2025, 6 teams advanced to the playoff with top team in each division advancing to the semi-final.

Canadian

The 14 teams from across Canada are split into two pools of seven teams. The top four teams in each pool advance to the quarter finals, semi finals and final to declare the champion In 2020 the event was cancelled due to the pandemic. In 2021, the format changed to top 8 teams advancing to a double knockout playoff and bronze medal game.
