Provincial Junior Women's Championship Format History:

The initial competition was played in 1972 with four teams competing. From 1973-1976 there were 16 teams who played a semi-modified knockout format in each of four groups. The winner of each group played in a straight knockout championship. Beginning in 1977, the 16 teams played in a semi-modified knockout event. In 2001, the round robin format of two groups of 8 playing a round robin draw within their group with the top two teams in each group advancing to a Page Playoff format. In 2022, 12 teams played a round robin in two groups of 6. In 2023, an open format was used with 11 teams playing a triple knockout with a page playoff. In 2024, 9 teams played in a triple knockout draw followed by a page playoff. In 2025, 11 teams competed. In 2026, 12 teams played a round robin in two groups, followed by a page playoff.

Canadian Junior Women's Championship Format History

The first championship was played in 1971, however Manitoba did not participate. The format has always been a round robin format, where each province or territory played one game against the other representatives. A playoff format was added in 1983. The playoff format has three teams reaching the championship round with the first place team receiving a bye to the final. Beginning in 1987 the event has been combined with the Junior Men's competition. In 2022, the top 3 teams in each pool advance to a playoff.

World Junior Women's Championship Format History

The first championship was played in 1988. Because the world age was 19 and Canada was 18, Canada elected to send their national champion the year after they won the championship. This continued until 1995, where in order to provide the opportunity for the 1994 winner to curl in a world, that team was inserted into the semi-final of the 1995 championship. The world format involved a complete round robin, with a semi final of 1vs 4 and 2vs 3. In 2008, the Page Playoff was introduced. In 2020, the playoff reverted back to the 1 vs 4, 2 vs 3.

Provincial Final

Since 2001 the Page Playoff has been used to determine the champion. In the 23 years of this playoff system, the winner of the 1 vs 2 game has gone on to win on 14 occasions. On 4 occasions the loser of the 1 vs 2 game has come back to win. In 5 championships the 3 vs 4 winner claimed the championship. Teams skipped by Kristen Williamson (2002), Calleen Neufeld (2007), Kaitlyn Lawes (2008) and Shannon Birchard (2013) Mackenzie Zacharias (2020) are the only teams to register 9-0 records. Shaela Hayward was 5-0 in 2024 and 7-0 in 2026.

Individual Junior Awards

Susan Galbraith Memorial Sportsmanship Award

Junior Women

This award is named in memory of Susan Galbraith who had a long time association with junior curling, first as a parent watching her three son's advance through the junior ranks, and second, as a member of MLCA Council from 1997-1999. In May 200 Susan was elected a member of the Management Committee of the newly amalgamated Manitoba Curling Association but passed away suddenly in August 2000.

The winners of this award are selected each year by a vote of all competitors at the Junior Women's Provincial Championship. The award is presented to a participating junior athlete for their demonstration of their commitment to the Fair-Play Code of ethics during the provincial championships.
